

## As The Gater Sees It....

By FRANK SCHWASS

It seems that a certain group of influential gentlemen have decided, amongst themselves, that some of the articles in the Gater columns are detrimental to the fair name of State insofar as our local high schools are concerned. We find it necessary to agree with these gentlemen regardless of the fact that the Gater is supported by each student of this college and as such should, idealistically, be an organ dealing with the sundry phases of local student life. We can see that the truth should not be disseminated if it is likely to offend some high school lad or lassie and that, regardless of its vital functions as associated with the students, controversial or "condition-exposing" items should be abolished in favor of something sweet and light—and empty. In fact, the Gater staff artist will, in the near future, decorate each column with a lattice work consisting of cherubs shooting arrows of brotherly love into linking hearts, the whole surmounted on fields of spring daisies—very colourful.

Mr. Tom Thorpe, mildly demented prexy of the Associated Men Students, will present his super-extravaganza on Wednesday evening, April 20, in the Finnish Brotherhood Hall at 425 Hoffman Ave. All the men students are invited to attend and the admission is gratis. Mr. Thorpe promises unusual entertainment for the guests plus free cigars and cigarettes. A Mr. J. W. Gallagher, local bore from within, will be responsible for the scripts of short skits to be given during the course of the evening and a Mr. H. Jacobs will present his somewhat quaint antics for the edification of the assembled multitude.

The Inaugural Ball, State's venture into the realm of dignity, seems fated to turn into a success despite the somewhat morbid tone of the advance publicity. A Mr. Guiney, director of publicity for the event, will shortly sponsor a limerick contest for the affair with students filling in the last line of the limerick in hectic competition for the prizes. A pair of tickets for the dance (broad "A"), and a pair for the banquet will be given to the person submitting the best ending to the limerick. Mr. Guiney, obviously suffering from a slight case of paranoia, informed awe-stricken listeners that a hanging scene will be enacted wherein the central character or the hangee will be suspended in front of College Hall with a sign dangling from his chest bearing the legend, "I'll be hanged if I don't go to the Inaugural Ball." You and me both, buddy.

An influx of former State students was noted last Monday around the local campus. Among others in the group were Jack Werchick and Ed Cochran, former SB prexy's, Harpo Furst, one-time star Gater gridiron man, and Al Mosession, erstwhile prominent State athlete. The occasion for the return of these illustrious alumni to their old haunts was the Easter holidays now being enjoyed by the grade schools. And we only get three days to get into shape for the gruelling easter-egg hunt in Golden Gate Park—it ain't fair.

## CONCERTS SPONSORED BY BAND

Outdoor Concert Presented Under Direction of Ernst

In the first of a series of spring concerts, the State College symphonic band, under the direction of Mr. Karl Ernst, was heard yesterday morning in a children's concert at the Frederic Burk Auditorium.

An outdoor concert is to be given at eleven o'clock on Tuesday, April 28, with the band being set up on the lawn by the gymnasium.

These concerts, plus diligent rehearsals held semi-weekly, are preparing this fine musical aggregation for a big, formal concert scheduled for May 3. The Treble Clef Singers, an outstanding group of women vocalists, will also perform on the program, which will take place in the Frederic Burk auditorium.

The symphonic band, which numbers about 70 musicians, is a quite different group from the pep band, which added so much color to the football games last fall. The current group is rehearsing on varied classical numbers, by Von Weber, Christiansen, and Tchaikovsky, among others.

Last fall picked groups of the symphonic band earned some very favorable publicity for the college by appearing in various concerts. Appearances were made at Girls' and Mission High Schools, and at the Ball of Nations, which took place at the Civic Auditorium.

## REGISTRAR'S OFFICE

### NOTICE TO ALL STUDENTS

Handwriting tests will be given on April 23, at 10:30 a. m. in Room 117, and each half hour after sign-up with Mrs. Downey.

Mathematics test will be given April 23, at 8:30 a. m. in Room 210. All students above Low Freshman standing who have not taken these tests should arrange to do so on April 23.

Summer Session and January, 1939, graduates should file applications for degrees and credentials now. Blanks may be secured from the Registrar's Office.

Subject B English examinations will be given the following Saturday, April 30, at 9 a. m. in rooms 210 and 208. All students must pass this examination before taking practice teaching.

**WORLD AFFAIRS FORUM DIRECTED BY DR. HACKER.**  
Held every Friday, 2 p. m., in room 209. Review and discussion of news of week. Open to all interested in current affairs.

## STATE DEBATES OVER K.S.F.O. WITH SAN JOSE

State Teams Take Affirmative Side Saturday Afternoon

"Resolved, that judicial cases should be settled by precedent" will be debated over station KSFO between the Gater forensic representatives and the San Jose State debating squad Saturday afternoon.

The State representatives will defend the affirmative side of the question. The names of the persons taking the stand from State have not as yet been announced, although the debate management believes that either the team of Shirlee Senk and Marianne Nelson or the team of J. Wallace Gallagher and Bob Van Houte will be the Gater representatives.

This debate marks the second of a series of intercollegiate radio debates in which the State forensic council has participated this semester. The first debate of the season was between J. Wallace Gallagher and Bob Van Houte against the debaters from Santa Clara University.

In the recent debate tournament held at the College of Pacific in Stockton under the sponsorship of Pi Kappa Delta, the State debating teams were successful up to the sixth round of competition, when they were eliminated by the first-place winners, the crack debating squad from the University of Southern California. The debaters report that the decision was close, the judges debating over twenty minutes on the decision.

## Hedda Gabler Given Three Evenings

Playing to packed houses on three successive evenings last week, the College Dramatic Group presented Ibsen's drama of frustrated desires, Hedda Gabler.

As Hedda Gabler, Lillian Collins played the female lead while Bud Decker played opposite her as George Tesman, Hedda Gabler's husband. Also in the cast were Fred McGowan as Judge Brack, Molly Levin as Miss Juliana Tesman, Evelyn Geinzer as Thea Elvested, Donald Joy as Ejbert Lovborg, and Rita Sadler as Bertha, the maid.

John O'Shaughnessy, chairman of the Drama Council, was in charge of the technical production. Ben Smith, a Santa Cruz high school graduate, troupier and make-up expert, assisted Mr. O'Shaughnessy.

Miss Jessie Casebolt, director of College Theater production, stated that the next play to be given by State's dramatists will be in a lighter vein in contrast to the seriousness of Hedda Gabler.

## INAUGURAL BALL HELD APRIL 30

Colonial Ballroom Bids One Dollar; Doug Kidd's Orchestra

The Inaugural Ball, scheduled to be held April 30 from 9:00 p. m. to 1:00 a. m. in the Colonial Ballroom of the St. Francis Hotel, is your affair, a program for you. Put a note on your calendar of events in order to reserve the evening. The price of each bid is one dollar. Presenting the music for the dance is the task of Doug Kidd's smooth-swinging, nine-piece orchestra, of which the director himself and several members are State students. The orchestra's selections will be enhanced by the presentation of an outstanding vocalist.

**Purple and Gold Decorations**  
A major part of the decorations will be State's purple and gold to fit the proposed theme, "Hail to San Francisco State." A featured though brief part of the evening's program will be the institution of the newly-elected student body leaders into their respective offices. The installation ceremony for this event has been written by Norman Zech and Edith White.

**Student-Alumni Connections**  
The entertainment, providing an opportunity for student-alumni connections, promises to take its place among the highlights of the year.

## EXEC., PUBLICATIONS BOARDS MEET TO AMEND CONSTITUTION

By TIM GUINEY

A special joint meeting of the student Executive Board and the Board of Publications held last Monday night to determine the authority of each group over college publications resulted in an amendment to the constitution to be placed before the student body in the next general election.

**Plan Submitted**  
The plan to be submitted is the work of Dr. Theodore Treutlein, faculty advisor to the Board of Publications, and specifically delegates the authoritative powers of each group in regard to policies of local publications. It was also decided that the section in the constitution relative to election of members of the Board of Publications be put into the hands of a committee, an alternative plan to be presented by that committee at the next meeting of the Executive Board.

**Recent Controversy**  
The question relative to the amount of authority vested in the Board of Publications culminated in the recent controversy between the Franciscan and the Board of Publications over the inclusion of Senior records in the yearbook, the Executive Board handing down a decision in favor of the Franciscan. Under the new plan, a unanimous vote of the student Executive Board

## REPEAT PERFORMANCE OF 'THE CHARACTER' PRESENTED TONIGHT

College Romance in the Rough, Story of Fantasy Given in Frederic Burk Auditorium

### 'The Orphic' Revived; On Sale Next Week

"Filled to the brim with literary masterpieces of State students" will be this year's Orphic, according to Sibyl Hurning, business manager of the publication.

Being published this semester for the first time in two and a half years, the mimeographed edition sells for 10 cents. Ticket sales start Monday.

Manuscripts for the publication have all been submitted. A 500 word freshman theme, poetry, short stories, essays, and other forms of prose will be included in the 20-page book.

Staff for the Orphic includes: Editor-in-chief, Dorothy Mantell; Associate Editor, Jean Gilleran; Business Manager, Sibyl Hurning; Assistant Business Manager, Jean Dooley.

The editorial board, which is judging the material submitted, is composed of Jean Lynch, Peggy Cleghorn, Henry Glass, Jean Gilleran, and Dorothy Mantell.

Repeat performance of the Junior Class musical comedy, "The Character," will be held in Frederic Burk Auditorium tonight, April 13, at 8:00, by popular request. The Fantasy, brain-child of Co-directors Vernon Rees and Roland Ingraham, features an original script by Rees coupled with original music by Ingraham.

The story of "The Character" deals with the tribulations of Bob, a country-bred boy, played by Harold Chandler, who enters a large college for the first time. Marshall Blum takes the part of Bill, who makes Bob's life at college miserable. Defender of Bob is sweet and lovable Mary, played by Alice McCoy.

Harold Jacobs, George Feneman and Vernon Rees, comedy trio, will be seen in their original roles. Anne Paulsen, Sam Elkind, Ruth Whitley, Mike Desmond, John McAndrews, Monk Delma, Jeanne Deckman, Joan Smith, Helen Newell and Elizabeth Robinson, make up the supporting cast.

An orchestra under the direction of the composer, Roland Ingraham, will supply the musical background. All the original specialty acts featured in the performance on April 1 will be included. Frances Twohig and Frank Collin, Audrey Stewart and Howard Demeke make return appearances in their dance numbers.

The same dance chorus made up of Claribel Bley, Betty Fisher, Peggy Clifford, Betty Pierce, Frances Twohig, Audrey Stewart, Kay Wildberger and Dawn Wilson.

## Movie Series Ended Last Friday Eve

Ending the series of five documentary films, four pictures, featuring "All Quiet on the Western Front," were presented by Dr. Elias T. Arnesen last Friday evening in the Women's Gymnasium.

The dramatic war film, based on the novel by Erich Maria Remarque, was shown in a slightly shortened version. The film goes down in cinema history as one of the greatest pieces of anti-war propaganda.

Scenes from the "Jazz Singer," starring Al Jolson, a Fox Movietone Newsreel of George Bernard Shaw, and Mickey Mouse's first talking picture, "Steamboat Willie" completed the program.

The motion picture series was presented by Dr. Arnesen in connection with his Motion Picture Appreciation course.

## From This Side

By TIM GUINEY

With rumor running rampant that another attempt to start ROTC will take place in the college shortly, it has been requested that our editorial of last semester relevant to the subject be reprinted.

So, with all due apologies to those veterans who will receive this as slightly-used material, we present:

### "WAR IS HELL"

Speaking in short, clipped phrases, Sherman once said, "War is Hell!" Paraphrasing the words of the famed general, we say, "The compulsory R. O. T. C. is Hell!"

We hold no brief with those peace advocates who seek the abolishment of military training. We feel there is a definite need for military training but that the compulsory R. O. T. C. defeats its own ends and therefore loses any value it may have.

The proponents of the compulsory military training in the colleges of America have made claims that appear impressive on the surface. They fail, however, to give us valid reasons why the compulsory training system should be fostered on the educational system of this land.

Naturally they generalize and declare that a need for national defense exists. Unfortunately for this claim, there exists two things that prevents it from becoming sound reasoning. America, since the War of 1812, has not been invaded and there have been no wars of defense since that time. Secondly, the very smallness of the Collegiate R.O.T.C.'s would prevent them from becoming units of great importance in the National Army. They would be absorbed by the army and the greatest number of the members would be re-trained.

The claim that the military units create initiative is another myth from the fertile brains of those few who would like to force this nation into a "war for profit". The very fact that it is based on discipline reacts against initiative. The whole R. O. T. C. set-up is based on the subjugation of the cadet to the "higher-up". The cadet-major gives orders to the captain, and then right down to the buck private there is this subjugation to the will of another. Instead of the building of initiative there is a tendency to throttle it.

Our point is that the very organization of the compulsory R. O. T. C. defeats its own ends. The use of force to enroll uncooperative men into its ranks weakens it. It loses power because it must carry these men who have no place in the ranks. By the elimination of the uncooperatives, the R.O.T.C. could be expanded into a tactical force for the development of new defense plans for the national army.

Under present conditions, the R.O.T.C. is "hell" to a great number of the students.

## CO-EDS CORNER

By CAROL CROUCH

Monotony is the mother of Dis-  
sentiment.

The monotony of dripping water  
will drive a man mad.

It isn't until living in a state of  
poverty and suppression becomes  
monotonous that a people will re-  
volt.

Nor until the little habits and  
peculiarities of your room-mate get  
monotonous that you pack up and  
leave.

You will stand work and duty  
until the repetition of it in a set  
pattern bears down on your nervous  
system, and you finally quit your  
job.

When a fellow must listen to the  
same arguments said in the same  
tone of voice, words and gestures (of  
a nagging wife) he eventually goes  
down to the corner Cavern and  
doesn't come home for a couple of  
days or not at all.

A man will do almost anything to  
escape the monotony of isolation.

### LOCAL MONOTONIES

There is nothing more monoton-  
ous than the dry, hisping voice of a  
sober professor—rasping out minute  
on minute—steadily, unchanging,  
"Now, the best way to stop a cut  
from bleeding is to apply a tourne-  
quet."

Nor the daily monotony at 4:30  
of "All out please," "All out please,"  
"Everybody out."

### SAGITTARIUS ... SAYS ...

It is generally conceded that the  
American populace is stupid but the  
fact that it is also very sad is a  
phenomenon not quite so evident  
except to impartial observers. Who  
but a race of people who want des-  
perately to laugh could find any-  
thing funny in the jokes of Eddie  
Cantor, Al Jolson, the later Benny,  
or Charlie McCarthy. Who could  
yearn so for a touch of humor that  
they'd laugh at the Jones Family,  
Wheeler and Woolsey, Edgar Ken-  
nedy, and sundry alleged funny-  
people in the movies? How the im-  
pulse for laughter must be stifled  
if one finds Woodhouse, J. P. Mc-  
Evoy, or Robert Benchley excruciat-  
ingly funny. A sad race indeed  
must be the Genus Americana.

The funny-papers, for the most  
part, have gotten away from the  
humor angle and have substituted  
adventure, gang-killing, Chinese  
torture exposes, illiterate hill-billys,  
and shallow gals who are always  
leaving their faithful boy friend  
dangling when some sleek-haired  
Adonis enters the scene. The funny-  
papers then are no place in which to  
search for humor.

Of course, there are some sources  
of real humor which have not been  
stifled merely because the populace  
will laugh at anything. Among these  
are Fred Allen on the radio, Thorne  
Smith in the literary field, and Ed-  
ward Everett Horton in the films.  
These entertainers are purveyors of  
intelligent humor.

Then there are the dispensers of  
unintentional humor such as "Pulse  
of the Public" writers, pompous  
politicians and military men, old  
gals trying to look dignified at  
Women's Auxiliary meetings, and  
influential groups who prattle about  
Americanism whilst denying other,  
less influential, groups the right of  
free speech. The whole business,  
after the indignation wears off,  
settles down to an extremely funny  
parade which can only be seen by  
the intelligent observer.

... Stella's "have you heard?" ...  
The loud and rasping laugh of one  
of our "characters" and we don't  
mean the players. And the worst of  
all is having to listen to the public  
belchings of State's innumerable  
and undeveloped characters. And  
we're still not referring to the play,  
those delightful students (and  
teachers) who think that the key-  
word to success is being different,  
and that anything is all right as  
long as no one else does it.

The enthusiastic freshmen who  
want to change the world (and our  
awings).

The daily mob in the Co-op at  
noon, when you have to compress  
yourself into the least possible  
space, fortify yourself with books,  
and violently push yourself between  
back-slapping football players and  
jaw slapping blondes.

... And WE'RE GETTING AW-  
FULLY TIRED OF GETTING  
FLUNKED OUT OF CLASSES  
JUST BECAUSE WE CAN'T  
PASS THE OLD EXAMINA-  
TIONS.

There isn't anything monotonous  
about the hats this spring. No two  
seem to be alike, and no one seems  
to look anything like the standard  
conception of a hat. We've seen them  
flare up in front and droop in back.  
We've seen them grow steadily up-  
ward to a climax of unnatural flow-  
ers. We've seen them stand out in  
front of the head like a chimney and  
rise in back like the tail of a kite.  
We've seen bands of ribbon wrapped  
around the head with a preponder-  
ous bouquet do in place of a hat at  
the theatre.

### HALLELUJAH! SPRING ARRIVES

Oh Sol beamed lustily upon the  
thickly-populated green grass. Some  
were lying, some were sitting, some  
were standing and some were. Out  
of the clear spring ozone drifted the  
lilting strains of "Song of the Is-  
lands," with the vibrant strumming  
of a guitar and ukulele providing  
the realistic background. A gentle  
breeze wafted softly through the  
picturesque palm tree, adding a  
grandioso touch to the already ex-  
hilarating scene.

Students huddled in well-knit  
groups, beating time with their feet  
or humming the melody lazily. Such  
a peaceful setting. Midterms, in-  
structors, classes and enemies were  
forgotten. Life was good. As the  
finishing bars of the ever-popular  
tune diminished into the sky, a great  
relaxation was prevalent among the  
crowd. Life was swell.

Then it happened! Oh Sol glared  
upon the thickly-populated grass.  
The same ones were lying, the same  
standing and the same. Out of the  
clear spring ozone crashed the  
"ra-ta-ta" chords of "Hallelujah,"  
with the harsh stroking of a guitar  
and uke providing a background un-  
like the surroundings. The breeze  
rose to the velocity of a light wind,  
as though angered at this sudden  
metamorphosis.

Students huddled in well-knit  
groups now banged out time with  
their feet or yelled the beer joint  
song as though rejuvenated. Such a  
reckless setting. The jam brought  
back memories of the noon dance  
which in turn brought back a re-  
minder of midterms, instructors,  
classes and enemies. The "love-bug"  
had fled. The "jitter-bug" had en-  
tered. As the last "Hallelujah" rang  
out, so did the one o'clock bell. Life  
WAS swell!

## Golden Tide Has Field Day; Sweeps Over Santa Barbara State Gaucho Trackmen 86-45

### JUST DROPPED IN...

by Ernie Miguel

Sports Editor

"Intercollegiate ice hockey for State" is the goal announced by Tony Tassi, founder and president of the Winter Sports Club. All credit for the regular Thursday morning ice skating sessions is due to Tassi; it was his idea, he contacted the ice skating rink, he brought the matter before the student body; he tried to interest the coaches, and, in the face of almost complete indifference at every hand, he brought into being here one of the most popular athletic events ever introduced at State. . . .

Tassi is now working toward formation of an intercollegiate ice hockey league for all the bay region colleges. He has contacted the athletic directors at University of California, U. S. F., San Jose State, S. F. Jaysee, Santa Clara and Stanford University with the idea of formation of the league in mind. . . .

Among those colleges, California is the only one with a hockey team now in existence. By the end of the weekly skating party series, however, enough State men will have enough proficiency on the blades to form a team. . . .

Among the skaters who have already announced their intention of participating in the sport when it reaches an intercollegiate basis are Tony Tassi, who will probably also act as coach and manager, Art "Scooter" Marder of football and track prowess, and Bill Stein of discus and shot tossing fame. . . .

"Insufficient publicity" can rightfully be claimed by a member of the Gater track squad when speaking of the track reports published in the Golden Gater the last few weeks. Last week his name was unintentionally omitted from the summary, when he won the mile and two mile, and for the last few editions his name has not even been mentioned regarding his track performances. . . .

He is Fred Kline, number one Gater distance man, who has never run under third place in a track meet this season. He can be depended upon for at least 8 points a meet and is one of the consistent point scorers for the Gater cinder squad. . . .

Outside of school he has taken second place in the Lake Merritt run in Oakland, and several weeks ago he copped first place in the P. A. novice long distance run. . . .

Incidentally, he also holds the record in the cross-country run at State. . . .

### Gaters Take Eleven First Places As Barbarans Bow Under Power of Theofield, Hopkins, Kline and Co.

By ERNIE MIGUEL

It was the Gaucho versus the Tide in a Quixotic contest in the Santa Barbara State stadium last Saturday, and when the cinder dust cleared the Gaucho was driven back and the Tide swept on back to San Francisco with an 86-45 victory tacked onto its already imposing record.

The Golden Tide of San Francisco State rolled through the meet with surprising ease and consistency, taking the meet with eleven out of fifteen first places to its credit on the final record sheet.

#### Theofield Wins

Quixote Yeager of Santa Barbara State was expected to open the Gaucho attack with a close battle with Luther Theofield, Gater sprint star, but the expected competition from the southerner's side did not materialize and Theofield took an easy first place. Yeager suffered a torn muscle in the 220 low hurdles and was unable to compete in the 220 yard dash.

The closest event of the meet was the final sprint in the 220 low hurdles with "Captain" Daryl Hopkins of the Tide pulling out in front inches ahead of Gray of Santa Barbara.

#### Kline Takes A Pair

Underpublicized Freddie Kline of the Gaters came through in his usual consistent form and took a pair of events in the mile and two mile.

Arvo Kannisto showed that he had recovered from his injured leg by pushing out in front of Bolvus of the Gauchos in the 880 to bring home first place and five points for the Gaters.

#### Fat Men Lose

Two more first places were added to the record of the Golden Tide in the high jump and pole vault, with Hopkins and Bill Harkness winning their respective events. State once again garnered a pair of firsts and a pair of seconds in the discus and shot put, with Pantages and Stein getting a first and a second apiece.

The regular Saturday afternoon "fat man's relay" was the finishing touch for an almost perfect sojourn in the Southern California metropolis, the Gater squad taking a close defeat with Bill Stein finishing a mere 2 feet behind the Gaucho discus man.

### Pairings for Noon Tourney Announced

Pairings for the current mixed doubles badminton tournament have been made and are posted daily in the women's gymnasium during the noon hour. Doug Crary, director of noon recreation and manager of the tournament, requests that all players report each day if possible, locate their partner and opponents,

### The Women's Angle

By LOUISE VALLARINO

W. A. A. members! Attention! Election of your next semester's officers will be held today in College Hall from 9 to 3. Nominees are: president, Elizabeth Hickey; vice-president, Peggy Smith and Virginia Schapp; secretary, Dorothy Bareilles, Romerta Porter, and Betty Frazee; treasurer, Elsie Bernard, Betty Creon, Thelma Rastad, Connie Peters, and Babbette Lau. Come one, come all to cast your vote. . . .

Just a reminder—Start saving now for the week-end trip at Point Reyes April 23 and 24. The sign-up is limited to 25 only, so start forming a line and sign up early. It will cost you \$2 at the most (we hope) and \$1 at the least. Anyway, you're all in for a good time and lots of fun (if we remember last year's trip correctly). More information and data later!

Virginia Kyriazi and Mrs. Florence Stephenson attended the Physical Education Convention held in Pasadena last week-end. Miss Kyriazi represented San Francisco State and spoke on the question, "Should technique courses in method of teaching be co-educational?" Virginia, with the help of the P. E. 170 class defended both the men's and women's angle. . . .

Girls, come on out for the intramural games at noon. Those interested in volley ball see Maradean Hill and for baseball see Elizabeth Hickey. They'll be more than glad to use you. Let's show the boys up at their own games.

### The Winner!

FRED KLINE, Gater distance man, was winner of first places in the mile and two mile in last Saturday's track meet at Santa Barbara State. He holds the record in the State cross-country run besides several off campus records.

### Netmen Defeat Gaels; Travel To Play Broncos

With a five to four victory over St. Mary's to buck them up, Coach Dan Farmer's racketmen journey to Santa Clara this afternoon to take on the Prunepickers in the first of two home-and-home games. The latter hold a victory over U. S. F., which trounced the Gaters twice; on the basis of competitive scores the Broncos should emerge easy victors. However, all the Staters have promised to turn out for today's match; heretofore they have been consistently short-handed.

Doug Crary was the spotlighted player against the Gaels. Playing first singles in the absence of Jack Witt, he downed Walt Webber by 6-4, 6-3 scores and teamed with Rod Kavanagh to down Webber and Harry Hooper. The Gater duo had a hard time getting started, being down one set and behind 3-1 in the second set. Crary got his smashes timed a little better, and Kavanagh "got hot" at the net to wind up the match in favor of State. Set scores were 3-6, 6-4, 7-5.

Kavanagh had the shortest match of the day, beating Nammany in the second singles 6-0, 6-1. "Babe" Arlington and Kim overcame Taira and Davie, 6-3, 6-2 in other State victories.

## Three Hour Skating Fest Tomorrow To Celebrate Middle of Skating Season

### Tide Nine Plays First Alumni Baseball Game

State's varsity nine will play its first Alumni baseball game at 11 o'clock next Saturday morning at Roberts Stadium.

Managed by George Bogdanoff, star first baseman on the Gater team last season, the Alumni will have a number of former State greats in its lineup. "We're going to give the varsity a lesson in baseball and we want the whole student body to see us do it," declared Manager Bogdanoff.

A probable starting lineup for the Alumni team will be the following: Joe Lee, second base; Floyd Walters, third base; Frank Regan, short stop; Bob Marcus, right field; Hal Woods, center field; Mel Nickerson or Clint Purcell, left field; George Bogdanoff, first base; Bill Watt or Walter Drysdale, catcher; George Powles or Gus Conlon, pitcher. All the players on the Grad squad will see action, according to Bogdanoff.

After the game the members of the Grad squad will hold a reunion dinner, where old times will be discussed. The State-Athens Club game, which was to have been played on Saturday afternoon, has been postponed.

Traveling to Santa Rosa tomorrow afternoon, Coach Hal Harden's baseballers will tangle with the Cub nine.

Last year the Gaters downed the Cubs twice, 6 to 4 and 1 to 0. Ru Stone pitched one of his best games in shutting out the Cubs in the second contest.

### Rasted vs. Resnick In Ping Pong Finals

Thelma Rastad upset the dope bucket in the women's ping pong tournament recently by downing Virginia Gildea in three straight sets. Miss Gildea had been conceded an excellent chance, but succumbed to the steady play of her freshman opponent.

Bernice Resnick will oppose Miss Rasted in the finals match to be played soon, with the winner having to cop three out of five sets. Miss Resnick had quite a match with Carolyn Searles, another player of reputation, but triumphed in four sets; she dropped the first, but had her own way after that.

### Intramural Tennis

Intramural tennis, under the direction of Vic Lobree is scheduled to start Monday, April eighteenth. Lobree is accepting entries for both men's singles and doubles. His box number is 1415. As is the case in baseball, anyone who has not received a block in the sport can enter.

### Admission and Skate Rental For Staters To Be 25 Cents

A huge ice skating party tomorrow morning from 9:30 'till 12:00 at the San Francisco Ice Skating Rink will mark the mid-season point of the weekly ice skating parties being sponsored by the Winter Sports Club. All State students are eligible to come to the party, ten cents entrance fee being charged and fifteen cents for skates.

#### Open Three Hours

Due to the fact that Thursday is a holiday, Anthony Tassi has arranged to have the rink open at 9:30 instead of at 10. This will give the ice enthusiasts an added half hour of skating. The coming event will be the fifth party to be held during this semester, during which time the popularity of the sport has steadily increased. Five more weekly sessions are to be held before the rink closes for the summer months. Members of the Winter Sports Club predict that interest in ice skating will be even greater next fall when the sessions begin again.

The usual rates, ten cents for admission and fifteen cents for skate rental, will prevail. The rink may be easily reached by taking either a Municipal "N" car or a Market Street Number 7. All students who have cars and are willing to take out other students are asked to get in touch with Tassi, box 741.

## Newman Club Plans Party Wednesday In Annex B Here

Replacing the dance at a downtown hotel for this semester, members of Newman Club will have a party and dance in Annex B on Wednesday evening, April 27. Members who have paid their dues will be admitted free with a guest, while others will be charged 25c each.

Dolores Goetzee, vice-president of Newman, is general chairman for the occasion; she will be assisted by Alberta Anders and Virginia Cullen in charge of refreshments and decorations, and refreshments will be served. During the evening games will be interspersed with dancing. The theme for the evening will be spring. Those who attend are asked to dress in sport clothes, in order that they may join in the spirit of the party.

## AGATHEANS HEAR DEAN W. HOMAN

Dr. Walter J. Homan, dean of the lower division, will address the Student Agatheans at their next regular meeting Thursday, April 21.

Dean Homan will speak on "Ecclesiastes".

To further their campaign for more members, the Student Agatheans, appointed Felix Grosso, publicity director and news reporter.

A poster has been made by Phyllis Haley and is now on display in College Hall.

The Student Agatheans will present a big program in the activities room next month, details of which will be announced later.

## LOS LAZARILLOS SCHEDULE HIKE

On Sunday, April 24, the Spanish Club, Los Lazarillos, will hold a hike across the Golden Gate Bridge to Solada Bay where a beach party will be held.

At the last meeting of the club at the home of Miss Pollyanna Peck the members decided upon the following program for the remainder of the semester: During the first week of May the club plans to hold a Tea for the purpose of getting new members. Also during this week another hike will be held. During the last week of the semester the Annual Spanish Club Dinner for the Installation of next semester's officers will be held.

## Italian Club Officers Elected At Meeting

New officers were elected by the Italian Club members at a meeting held April 4th in the activities room. Also at this meeting, the club's executive board ratified the constitution. Successful candidates were: Victor Vari, prexy; Angelina Lombardi, vice president; Letitia, treasurer, and Marie McKnight, secretary.

The Italian Club will hold Installation Dinner at the New Riviera Monday, April 18. According to Lew Morris, organizer of the club, four members are now working on a design for the pin.

Meetings are held the first and third Wednesdays of the month.

## HICK HIES HOME, SCHOOL SCARES 'IM

Miss Jean Dooley, M.E., "The G. G." S. F. S. C., S. F., Cal. Dear Miss D.,

I took that rube from your home town around our campus like you asked me to and I have come to the conclusion that he better not come to the Summer Session like he intended because he is a rube; and he also does not know what the score is. Anyway, herewith is a report of our tour:

I met him in front of the school as per appointment. He had been standing across the street trying to find Doc Roberts' pent house. I told him that they moved to downstairs and gave it to the Music Fed. He didn't understand. Said he wanted to see the athletic facilities and account of he is an athlete, so we walked down the hill and through to training quarters. He fell down the stairs. Mr. Cox was coming up and, being an "Iron Man (oh yeah?)", he grabbed him and tried to get him into the naval reserves (which he recruits for, you know).

So far, our jaunt was not successful. Well, we saw Miguel (who is your sports ed.) and he told me to take Hiram down to Roberts' Field—The Athletic Field of San Francisco State College. There he got a gander of how he might work his way through college. (I had great trouble convincing him that the fellows with the shovels, etc., were the ones that were doing the work.)

He wanted to pull a pair of overalls on right there but all a sudden like he heard that city fire engine a-root-tootin' up the street. He lit out fast-like and I thought I lost him, but when I got back to school, there he was, a-pantin' on the front steps of College Hall and cussin' country cusses about our main building not burning down again. I kinda sympathized with him, don't you?

Well, Jean, the story's just about over. We were walking down Annex B alley towards the band quarters and he spotted something yellow protruding from one of the doors. Before I could stop him he had snuck up behind the seat of F. Schwass's pants (F. S. was in them and was also in the act of snooping on the musicians) and he gave 'em a swat.

I think you can find Hiram back in Goshen Junction—at least in part.

Respectfully sub.,  
Your old fiend  
Alexander Mugfump, '41.

## A. G. P. NEWS

SANTA ROSA, Calif.—(ACP)—The Santa Rosa Junior College believes it is the only college in the world that owns a gold mine.

It was bought for the college recently at a tax sale for \$2.85 by Jesse Peter, the institution's geological curator, and will be "worked" by students studying mining.

There's no gold in the mine, so students will have no get-rich-quick incentive to study.

CAMBRIDGE, MASS.—(ACP)—A new extracurricular organization to debate and vote on pressing topics of modern social and economic conditions has been formed at Harvard University.

Modelled after the Oxford University Union, the Harvard Congress will meet every three weeks to give opportunities for extemporaneous speaking, practice in the technique of legislative bodies and clarification of undergraduate social thinking through open discussion of issues.

## EXECUTIVE BOARD MINUTES

April 11, 1938.

The twenty-sixth regular meeting of the Executive Board was called to order at 6:55 p.m. by President Will Smith. The minutes of the previous meeting were approved as read.

### SPECIAL ORDER OF BUSINESS

The various plans for the Board of Publications amendment were read and presented for discussion by President Will Smith.

Mrs. Witt-Diamont recommended that the matter of scholastic standing, in relation to B. of Pub. membership, be considered.

Dr. Treutlein pointed out that the basic need was for a clarification as to the question of final authority in cases of disputes, appeals, and contested decisions which might involve both the Student Executive Board and the B. of Pub. The following statements, as submitted by Dr. Treutlein, attempt to compromise both views on the question:

1. The Student Executive Board shall have final authority in judging appeals made to the Board of Publications by individuals or by organizations functioning under the jurisdiction of the Board of Publications. If appeals are made, however, such appeals may be vetoed by the Board of Pub. In case of a veto, the Board of Publications must inform the Student Executive Board of such action, and the latter board has the power, if expressed by a two-thirds vote of its quorum, to over-ride the Board of Publication's veto. The appeal may then be considered by the Student Executive Board and a decision rendered. If an appeal is not vetoed by the Board of Pub., such appeal would be transmitted immediately to the Student Executive Board.

2. The Student's Executive Board may, in instances it deems proper and necessary, request the Board of Publications to change its policies and rulings. Said request may be denied by the Board of Publications. But in case of such denial, the Student Executive Board may, if sustained by unanimous vote of its membership, over-ride the denial of the Board of Publications.

Mr. Demeke presented the Board of Publications consensus of opinion on the question—that the Board either be made a standing committee of the Executive Board, or that its integrity be preserved without giving it absolute power.

Mr. Buchan stressed the fact that the editors of the Golden Gater and Franciscan should be made members of the Board of Pub., and that the Board should be of an advisory nature and work in conjunction with the Executive Board and the above-mentioned editors.

Further discussion took place as to the number of proposals advisable to submit for Student Body vote.

It was again stressed by Mr. Demeke that the main point in question was to reach a definite decision as to the position of the Board of Publications, in order that difficulties, such as have recently come up in this regard, can be alleviated in the future. Mr. Demeke suggested that each member's opinion on the matter be expressed.

The majority of Board members recommended that we adopt Dr. Treutlein's plan for amendment.

A motion was made (Hammond) and seconded (Brubeck) that we accept the proposals for amendment, submitted by Dr. Treutlein, to replace Section 1f, Article VII of the

constitution under "Boards, Organizations, and Standing Committees" (which reads: "The Board (of Pub.) may be held accountable for its actions by the Executive Board")—with the provision that the Director of Publications have no vote (at the time the Student Executive Board exercises its power to over-ride the B. of Pub. by unanimous vote). Motion passed unanimously.

A motion was made (Smith) and seconded (Hammond) that this Board consider a re-organization of Article VII item by item. Motion passed unanimously.

Dr. Treutlein pointed out that certain standards or qualifications for Board of Publication Membership were necessary but that the Board should consider carefully the relationship between "scholastic" and "Journalistic" standing before making any final recommendations as to qualifications required for such membership.

To facilitate matters the following committee was appointed to draft the "reorganization" amendment: Mr. Guiney (Chairman), Mr. Smith, Mr. Zech, Mr. Worth, Mr. Demeke, and Mr. Schwass.

### COMMUNICATIONS

1. H. Herzenberg, S. F. Traffic School congratulations on recent KFRC Broadcast.

2. Calif. Youth Model Legislature announcing a meeting of the S. F. Preparatory Committee for the C.Y.M.L. on April 6th.

3. Acknowledgement of Student Body expression of sympathy from Al Lundstedt and Lois Polanshik.

4. Tom Thorpe reporting absence and announcing A.M.S. smoker on April 20th.

5. Dean Ward—requesting \$5.00 for Ed. 186 Alumni Tea.

6. Dean Ward—recommending Miss Lorna Olson as chairman of the Student Body for the summer session of 1938.

### COMMITTEES

The following dates on our social calendar were requested and approved:

Tuesday, May 3rd—Band Concert.

Thursday, May 12th—11 o'clock hour concerts.

Miss Wilson announced the next meeting of the Inaugural Ball Committee for April 18th at 12 o'clock. She also reported that the Committee would sponsor a limerick contest to be promoted in the form of blotters.

President Smith stated that many favorable responses have been received for the Alumni Dinner.

It was reported by Mr. Tassi that a smaller attendance was evidenced at the last ice skate probably due to mid-terms but that this coming Thursday's ice skate will have more than likely have a very good attendance in view of the vacation. Mr. Tassi also outlined some of his plans for promoting ice hockey at S. F. State and asked that the Board express its approval of the idea.

Mr. Worth announced the plans for Saturday's broadcast over KFRC, 9:00 to 9:30. Original music will again be provided by Roland Ingraham, the dramatic talent will be arranged for by Miss Casebolt, and students are being contacted for the contest.

Mr. Brubeck reported that several firms have been contacted for band uniforms, and that one bid has been made by Erbe's (\$22.50 for a complete outfit—\$10.00 for each old uniform). Hastings is also in-

vestigating the possibilities of making over the old uniforms.

The "Character" will be presented as scheduled. Expenses will be less than one-third the original amount. Contact has been made with Chico State in regard to putting the show on there. University of Redlands has been sent a copy of the script and is considering a presentation of the play by their students.

Arrangements for the voting machines have been made.

It was announced by President Smith that a campaign rally would be held the Friday preceding elections, and a question rally the following Monday.

Mr. Smith, as Chairman of the Clean-up Committee, recommended that a filling in of the dirt portion along Annex A walk with cement and a moving out of the fence, to allow more walking space, be considered.

It was suggested by Mr. Brubeck that organizations erase announcements of their affairs from the blackboards after they are over.

Miss Whitby, representing the Alumni, stated that one member of the group would be sent to each Executive Board meeting. She also announced that the Alumni is planning an affair for graduating seniors, which will probably be on the 28th of May.

Phi Lambda Chi and Delta Sigma Nu have responded to Mr. Worth's communications, informing him of their homecoming activities over the April 30th weekend, which will cooperate with the Student Body Birthday Party.

### OLD BUSINESS

A motion was made (Brubeck) and seconded (Smith) that the Sigma Alpha Eta constitution be accepted. Motion passed unanimously.

A motion was made (Smith) and seconded (Brubeck) that we support the next ice skate to the extent necessary. Motion passed unanimously.

Mr. Demeke stated that the manuscripts of the Orphic had been submitted to the Board of Publications and that the book would probably be out next week.

### NEW BUSINESS

A motion was made (Mirande) and seconded (Brubeck) that Lorna Olsen be approved as Student Body Chairman of Summer Session. Motion passed unanimously.

Motion was made (Fitzgerald) and seconded (Brubeck) that five dollars (\$5.00) be appropriated to Education 186 for the Alumni Tea. Motion passed unanimously.

A motion was made (Smith) and seconded (Brubeck) that the Board recommend to Mr. Tassi that he circulate a petition among the students, pertaining to ice skating interest, to be presented to Mr. Cox. Motion passed unanimously.

It was requested that another room be used for Student Body elections instead of the activities room, because of the noise made during past elections. Arrangements for this change will be made by the following committee: Mr. Demeke (chairman), Miss Frances Bolander, Miss White, Miss Wilson, and Mr. Guiney.

The Clean-up Committee was asked to contact Dr. Roberts in regard to moving the fence, etc.

There being no further business, the meeting was adjourned at 9:10.

Respectfully submitted,  
EDITH WHITE, Secretary.

## Alpha Phi Gamma Has Initiation; Stinson Beach Picnic

Two trans-bay trips occupied the week-end of the Alpha Phi Gamma. Formal initiation of pledges was held at the home of Dr. T. E. Treutlein, the sponsor, in Berkeley Friday evening.

Those who joined the local Alpha Gamma chapter were Al Cartwright, Sibyl Hurning, Doris MacDonald, Almarie Porteous and Ed Smith. Connie Field and Jean Dooley will become members next semester.

After initiation a regular business meeting was held. Plans for the ticket sales of the Inaugural Ball were discussed.

Sunday twenty-one members and their guests picnicked at Stinson Beach in Marin County. A baseball game was the major event of the day. The contest was conducted between the W. J. J. Smith team and the Ed Smith faction.

The picnic was given by the former pledges for both alumni and active members.

## Mexican Film Given By Open Road Club

Sponsored by the Open Road Club, a film dealing with Mexico will be shown in Room 209, Wednesday noon, April 20.

At the last meeting of the club a film on central Europe was presented.

Alice Mano, Open Road Club president, stated: "It isn't too late to join and get in on the special events planned for the rest of the semester. Watch the bulletins in the Co-op for current announcements."

## Going Dancing?

## THE PALACE OF COURSE!

An evening in the distinctive setting of the famous Rose Room Bowl is often a memorable event. The smart college group invariably says, "Let's go to The Palace." Enjoy the music of "The Ole Left-hander!"
